## Summary

Digital content, social media and sports marketing leader with 12+ years of experience across professional sport, mobile apps, websites, video, paid social and content production.

I currently lead content, growth and audience engagement for GolfTrak across social, paid media, app, web and partnerships. My background combines hands-on content commissioning, people management of freelancers and small creative teams, client and stakeholder management, and live sport and game-day content.

## Targeted fit for this role

- **Sport & Live Events:** Professional sport experience across Melbourne Storm and GolfTrak, with a strong understanding of fans, athletes, commercial partners, training environments, game-day demands and fast-turnaround publishing.
- **Client & Stakeholder Management:** Confident working with athletes, coaches, executives, commercial teams, partners and creative specialists while managing competing deadlines and protecting brand standards.
- **Content Commissioning & Production:** Track record creating content strategies, editorial calendars, campaign briefs, scripts, shot lists and channel plans that support audience, brand and commercial goals.
- **People Management:** Experience commissioning and reviewing creative work, managing employees, contractors and freelance contributors, and balancing planned campaigns with real-time content needs.
- **Publishing & Social Strategy:** Hands-on experience planning, producing and publishing content across Instagram, Facebook, TikTok, YouTube, LinkedIn, websites, mobile apps, email and paid media.
- **Paid Social & Reporting:** Strong paid social, campaign management and reporting experience across Meta, Google and TikTok, supported by GA4, Firebase, BigQuery and customer data.

## Core skills

## Experience

### User Growth Lead - Acquisition, Content & Lifecycle | [GolfTrak](#)

*Jan 2026 - Present*

GolfTrak is an iOS golf app combining computer-vision technology and a subscription model, helping golfers track and improve their game. I lead content, growth and partnership activity across social, paid media, website, app store and email.

- **Audience Growth:** Increased user growth by an average of 22% month-on-month.
- **Paid Campaigns:** Reduced CPI by 25% through acquisition testing, message improvements and creator-led campaigns.
- **Content Production:** Planned and produced product demonstrations, educational videos, campaign copy and social content for golfers across different experience levels.
- **Content Strategy:** Built lifecycle concepts across setup support, trial education, feature adoption, inactivity, cancellation, reactivation and customer milestones.
- **Editorial Calendar:** Built content and lifecycle calendars around product releases, customer education, trial conversion, feature adoption, inactivity and reactivation.
- **Creative Briefing:** Turn customer reviews, support conversations and product data into clear content priorities, scripts, tutorials and campaign concepts.
- **Audience Segmentation:** Manage audience segmentation based on customer behaviour, subscription status and product usage to improve campaign relevance and conversion.
- **Performance Reporting:** Use Meta, Google, TikTok, Klaviyo, Segment, Firebase, GA4 and BigQuery to manage campaigns, analyse performance and report on audience behaviour.
- **Stakeholder Management:** Coordinate work across internal staff, contractors, creators, technology partners and company leadership.

### Product Owner - iOS Mobile App | [GolfTrak](#)

*Aug 2023 - Feb 2026*

Led product ownership for GolfTrak from pre-launch through public release — the same golf-tech product referenced above.

- **Product Launch:** Took a product in development for more than six years through public launch, growing it to 20,000+ downloads within six months.
- **Stakeholder Management:** Led cross-functional planning across product, design, engineering, marketing, content, customer support and external partners.
- **Content Translation:** Translated product releases and technical features into social campaigns, onboarding, support content, app-store copy and customer education.
- **Monetisation:** Introduced subscription and in-app purchase systems, reaching 30% free-trial adoption and 15% subscriber retention after trial.

- **Content Commissioning:** Planned content concepts including golf challenges, product demonstrations, simulator content and customer-generated stories.
- **Publishing & Scheduling:** Managed release schedules, creative requirements, QA, customer feedback and high-priority issues across a fast-moving digital product.
- **Team Leadership:** Managed and supported a multidisciplinary team of up to seven people across product, design, content, marketing and customer experience.

## Founder - Growth, Automation & Conversational Marketing | [Chat Response](#)

*Feb 2015 - Jul 2023*

Chat Response was a growth and content consultancy I founded, helping ecommerce, sport and startup brands turn briefs into campaigns, content and measurable conversion.

- **Client Management:** Managed client work from initial brief and campaign planning through content production, launch, testing, reporting and ongoing improvement.
- **Lead Generation:** Increased lead generation for 24/7 Golf by 78% through improved campaign journeys and automated customer engagement.
- **Conversion Optimisation:** Improved sales conversion rates by 23% through clearer content, enquiry capture, follow-up messaging and customer education.
- **Revenue Growth:** Generated more than \$70K in campaign revenue for The Masque Co. through targeted digital campaigns and audience segmentation.
- **Budget Management:** Worked directly with founders, marketing teams, agencies, contractors, creators and suppliers to deliver work within lean budgets and tight timelines.
- **Freelancer Management:** Built and managed a contractor network, matching creative skills and production capacity to each client brief.

## Digital Media Manager | [Melbourne Storm](#)

*Sep 2011 - May 2014*

Melbourne Storm is one of Australia's leading NRL clubs. I built the club's first digital media function — its content, social and match-day presence — from the ground up.

- Managed daily content production across the club website, Facebook, Twitter, YouTube, email, mobile and live match-day platforms.
- Increased average monthly digital audience by 29% and video views by 61%.
- Helped launch the club mobile app to 71,000 downloads in its first year.
- Built the club's first dedicated digital media department from one person to four and a half staff, recruiting permanent and casual team members as demand grew.
- Grew branded content and digital sponsorship revenue while working within existing broadcast, media and commercial agreements.
- Balanced planned campaigns with breaking news, team announcements, training content, live match coverage, sponsor requirements and changing business priorities.
- Worked with players, coaches, media, commercial, membership, football, community and fan-engagement teams to deliver timely digital content and campaigns.

## Education

- Bachelor of Sports Administration - Victoria University
